

Birendra Kumar Pradhan

Profile

- Hello! I'm Birendra Kumar Pradhan, a tech enthusiast from the vibrant state of Odisha. I recently graduated with a BCA degree from Berhampur University in 2023. Currently based in Bangalore, I've been delving into the dynamic tech ecosystem here.
- Equipped with a solid foundation from Berhampur University, my academic journey has laid the groundwork for a versatile skill set.
- My expertise in PHP development, MySQL, JavaScript, HTML, and CSS can be effectively utilized.

EXPERIENCE

Over the past year, my professional journey has involved intensive freelancing, with a primary focus on developing website in php and wordpress. This experience has not only refined my technical acumen but has also afforded me the opportunity to integrate creative solutions into the digital realm.
